EasyNap® dispensers provide a full line of napkin dispensing options to meet operational needs. The EasyNap® high-capacity, one-at-a-time dispensing system can reduce your napkin usage by up to 30%.*

Features and Benefits:

- Tower and In-counter models hold up to 1,000 napkins – nearly five times that of traditional dispensers. Capacity: 4 packs of napkins
- Counter Top Model holds up to 500 napkins – nearly double that of traditional counter top dispensers. Capacity: 2 packs of napkins
- Tabletop Model – holds up to 250 napkins. Capacity: 1 pack of napkins
- Advertise on the dispenser with templates available online at www.gppro.com/easynap
- 1-Ply EPA Compliant napkin refills come in brown or white
- New 2-Ply White napkin refill is also EPA Compliant and 100% recycled

Cost-In-Use

- Fast and easy for employees to load
- One-at-a-time EasyNap® napkin dispensers can help control costs because fewer napkins are used

**Independent market research has proven napkin usage is reduced by 30% when switching from a standard MorNap® style napkin to the EasyNap® dispenser in a QSR environment, and that napkin usage is reduced by 56.6% when switching from a standard tall fold style napkin to the EasyNap® Tabletop dispenser.*

Environmental

- All three napkin refills are made of 100% recycled fiber and are EPA Compliant with a minimum of 30% Post-Consumer fiber
- Helps reduce waste with one-at-a-time dispensing

Performance

- EasyNap® Tower Model can be wall or counter mounted
- Dual-sided tabletop dispenser allows napkins to dispense from both sides for easy access
- EPA Compliant 1-Ply White and 1-Ply Brown and new 2-Ply Folded White napkin refills fit all EasyNap® dispensers
- One-at-a-time dispensing reduces usage and helps provide a more hygienic operation
